

## AHCA Delegates' Meeting Tour

Friday, November 15, 2024

This year we will be visiting two car collections in the Indy area. The first stop will be at Bruce Litton's Museum in Clermont, IN, Bruce runs in Top Fuel class in the IHRA series. He won the championship in 2007 and still competes today. His private museum is interesting in that he has recreated the buildings along Main Street in his hometown in Oneida, TN his hometown. This includes Hardware, Chapel, Movie theater and more, all period correct for the late 50's. We will view his mostly Chevy car collection and tour his race shop.

Next on the agenda will be lunch at City Barbeque, then proceed to Greenwood, IN. Here we will visit Ray Skillman's collector car museum. We visited this collection a few years back, however this museum has been expanded to include over 200 cars. There are over 30+ Indy cars as well as a display representing the old wood garage building like formally at the Indy 500 track. And yes, there are some British iron in the mix of cars including a beautiful Bugeye in BRG.

The group will leave the hotel **promptly** at 9:30 AM

Please advise Jim Switzer **by November 1** if you plan to attend this year's Friday event.
