BEST SMALL  
TOWNS AND  
THE CAPITAL  
OF THE  
BOURBON  
TRAIL,  
BARDSTOWN!**

It's time to dust off your Healey, grab your bags and hit the road for SpringThing 2022! The Bluegrass Club is proud to be back with our annual spring-meet full of fun, food and friendship.

The past few years haven't been easy, and the Bluegrass team knows how important gatherings like SpringThing can be in seeing friends that are like family and making new connections. That's why we were proud to present SpringThing the past two years during difficult times while taking into account proper safety needs.

That's also why we are particularly excited to bring you SpringThing 2022, back to bourbon and back to normalcy.

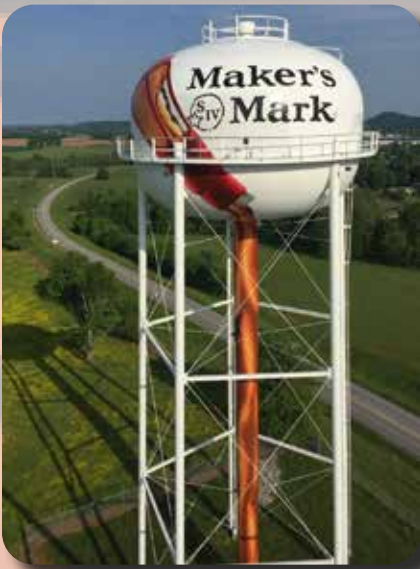

Our host hotel is a beautiful new facility located in Bardstown with great access to amenities and sites of interest. The crew there is ready to welcome us and provide a safe and relaxed home for our weekend festivities. Of course, the Bluegrass team is ready with our signature hospitality and merriments to keep you entertained all weekend.

Bardstown is one of America's best small cities, with great shopping on the town square, dozens of craft and large-scale distilleries nearby, some of the Commonwealth's best roads and numerous historic sites. You won't have a hard time finding opportunities for exploration around here. Or, if the relaxed nature of SpringThing is more your style, take it all at your own pace.

We will be hosting our Rally and Car Show over the course of the weekend, so bring your competitive nature and good spirits! Our VIP BBQ dinner will be hosted at Heaven Hill distillery in their brand-new expansion. A separate tour experience is available for anyone wishing to see this bourbon heritage center, it's truly amazing.

We hope you will join us for a fun, safe and memorable weekend. We can't wait to gather and see friends from afar and bridge the time lost two the past few years. There's a lot to catch up on, so register today!
