June 2016 Official Newsletter of the Central Indiana Austin-Healey Club

From the President

By Bruce Watson

Finally, it feels like we are in Indiana and not Great Britain! The constant rain and cold weather is hopefully behind us and it is time to begin enjoying our favorite British sports cars once again. We are a bit spoiled though. Our British counterparts would have been out in their Healeys since the beginning of March, believing that this was pretty normal driving weather. I don't know about you, but I am happy to be living here in Indiana and not in the UK.

There is a busy summer full of Healey activities coming up. A number of our members just returned from SpringThing in Corydon, IN. There will be more about that event later in the Overdrive.

Don't forget that British Car Week begins on May 28 and concludes on June 5. Get your Healeys out and show them off wherever you can. Local Memorial Day parades are a good way to get our marque seen by lots of people who would not otherwise have the opportunity to do so. Whatever you do, get them out, shine them up, and show them off.

This would be a good time to begin to collect Cities, States, and Countries, all without leaving the borders of Indiana. Jim Switzer introduced a Season-Long photo scavenger hunt at our last meeting. Indiana has many places named after cities in other states and countries, other states and other countries. The idea is to drive your Healey or other transportation to each of these places, take a photo that proves that you were actually there, and submit your photos to Jim. The member(s) having visited the most places by the end of season will win the Grand Prize of a stay at a nice B&B somewhere in IN. All photos must be turned in by the September 13th meeting.

In a few short weeks, Conclave will take place in the Northern, KY / Cincinnati area, June 12 – 17. It sounds like the Miami Valley Club has assembled a

great week of fun Healey activities for all to enjoy. Of course, Healey Camaraderie is always one of the best reasons to attend this event! I hope to see you there.

As soon as you return from Conclave, you will want to make your way to the Indy 500 track for the 2016 Vintage Races. This is a great time to watch a wide variety of vintage sports race cars competing wheel to wheel on the Indy road track. Our own Doug Bruce will be defending his podium win from 2015 with his Bugeye Sprite. Doug has again graciously invited any members attending the races to stop by his paddock for a respite and some refreshment,

Well, after a month long break, one would think that I would have something to write about. Not too much. Replaced the hard drive and upgraded the operating system in my Linux box. It has a different desktop (Gnome 3) that I'm still coming to terms with. Some applications I'm use to using aren't supported and am having issues printing, of all things. Might be time to reduce the number of computers I have to deal with and do everything on the Mac.

I've got the last of the garage stuff out of the storage facility over Memorial Day weekend. Still have to figure out where to store some stuff and have some extra MGB parts to pass on to someone. I started working on the tri-carb – fixing a oil leak at the right rear wheel. Have the hub disassembled and waiting for parts from Moss to put it back together. Then need to figure out why I can't get a good brake pedal. Did get to do some metal whittling on the lathe. I made some pieces to support the rear hub on the outside face when pushing out the bearing from the inboard side.

I would appreciate receiving material for the newsletter a couple of weeks before the next business meeting.

Indy 500 party

By Bruce Watson

Jon Monies and Joan Wright threw another great race party for the running of the Indy 500 race this year. Those attending were Jon & Joan, Jim & Bev Bush, Jo and Jim Switzer, Dick & Ruth Buis, Pat & Debbie Bruce, Bruce & Barb Watson, Dave Verrill, and Joan's brother Chris. No-one went away hungry! Between Jon's excellent bar-b-qing skills and all the appetizers, salads and desserts brought by everyone, there was more than enough to go around. Thanks again to Jon & Joan for a great time!

Old Business

Season Long Photo Scavenger Hunt - Jim Switzer has been working on this and reported he has the details worked out. It run from May to September.

New Business

The remainder of the meeting was spent discussing/planning **September Round-up 2016** which will be held September 15-18 in Richmond, Indiana.

- **Sponsorships**
 - \$500 Steve's British Connection sponsorship received.
 - Levels of sponsorships - \$100, \$250 & \$500
 - Stacey is lining up potential sponsors (gas station, liquor store, parts store)
- **Tri-fold brochure and registration form** – Jim Bush
 - Brochure/registration form is done.
- **Holiday Inn** – room rate goes up to \$169/night after September 1.
- **Regalia Items**
 - Healey stamps – Dick Storrs reported on what he learned. Each stamp will cost about \$1. The consensus of those present want to proceed with this.
 - Mugs – not much interest
 - Other suggestions: Healey playing cards, beer steins.
- **Activities Planned**
 - Pinewood Derby/Valve
 - Cover Race
 - Richmond Historic Tour – Roy Bowman & David Morrison
 - This will be a “self-guided” tour with suggestions of “things to see and do.” Ten items of “special interest” include the Wayne County Museum, Joseph Moore Museum, Earlham College, the Leroy Coffman House, and Ghyslain Chocolates.
- **Promotion Activities**
 - Send Tri-fold/Registration form to Presidents of all surrounding clubs.

- Place on wind screens during Spring Thing and Conclave
- Conclave – Table, Banner, Sprite Bonnet sign, registration forms
- September Round-up graphic banner on home page of website

SpringThing 2016

by Bob Haskell

Mel and I worked a half day on Thursday, planning to drive to Corydon by ourselves. Jim and Jo Switzer were meeting Jon Monies and Joan Wright in Columbus for

Hospitality

A Sebring Healey

lunch at noon. Jim and Sue Frakes had a lunch date so they thought that they would be leaving later. Dick and Sherry Storrs were driving down on Friday. While eating lunch, we got a call from Jim Frakes; their lunch plans had been postponed and they'd like to drive down with us. Jim doesn't have a lot of miles on the red BJ8.

We met the Frakes at the Southport KFC and headed south on I-65, to avoid the traffic lights on US-31. Although I had just updated the maps in the GPS, it didn't know about the new exit on I-65 around mile marker 95. Neither did I. And it certainly had a unique route to 31 south. We took 31 south to Columbus, picking up 7 due to construction, then 3, 56 and finally 135 to the hotel.

Thursday evening the funkhana was a trivia contest, won by the Mid-Ohio Club. Questions included Healey *continued on page 8*

related (name Donald's three sons and their spouses, color of the first production 100) and period pop culture (what was the theme music – from the Match Game).

Friday morning we took part in John and Suzanne Rice's tour of the area. We traveled through the rain drops to Pumpkin Center, the Orangeville Rise (Lost River), West Baden and Frenck Lick. This was our first time to the West Baden Springs Hotel. Wow. We had lunch there and the food was very good. I had a tenderloin sandwich which was fixed a bit different than usual – not pounded flat. The hotel would make a great Conclave site, but far too pricey for me. As we were heading back to Corydon, the rain picked up. We drove by an antique shop that had gasoline signs painted on the side of one building. I thought about stopping, but

figured I'd better protect the tail end of the group – the MINI's a bit taller than a Healey and its rear lights are brighter. Speaking of lights, Al Malin's 3000 is now sporting a pair of LED headlamps.

Friday night's dinner was at the Overlook restaurant in Levanworth. The restaurant sits above a bend of the

LED headlamp

On tour

A view from the Capitol Building

Ohio River on SR 62 and has a beautiful view. The car show was scheduled to be at the restaurant before dinner, but because of the weather, it was postponed until Saturday morning. At dinner, I lost count of the number of pieces of fried chicken that Gerry Cossette (Canada) ate. Best he's ever had. Melanie, Sherry, Jo and Sue really enjoyed the fruit cobbler for desert.

The car show was held in the parking lot next to the hotel in “wet” conditions. After voting, we drove down to the square in Corydon and walked around. Went through an antique shop selling automotive stuff and toured the Old Indiana Capital Building where we found Jim and Sue Frakes. The four of us went on to the Red Barn (more antiques) and then Melanie agreed to ride over to the antique shop over by Lake Patoka that had the signs painted on the side of the building. Not a lot of automobila, *continued on page 9*

SpringThing 2016

continued from page 8

but I did buy a couple of signs. One is now screwed to the fence post next to a downspout I had to “restore”. Sue picked up a basket.

I really enjoyed the secondary roads in the area. Up and down, and around the bend (SR-62 and 66). I wondered if it would get old having to drive them every day. The Northern Indiana group came back from a jaunt full of praise for SR-337.

There is a large fish tank in the hotel lobby with several gold fish. One was upside down and not moving around much. Jo Switzer and Gerry Cossette had a \$10 bet. Jo didn't think the fish would last the weekend. The lady at the front desk told us later that the fish had been that way for three weeks. It would move around a bit at the top of the

Jo's fish

tank and then every once in a while 'sink' to the bottom of the tank and then rise to the top. I'm sure Jo made good on the bet.

Saturday night's dinner was on our own and many of

us ate at Point Blank Brewing Company in Corydon. During the awards banquet, there was birthday cake for Rita Eslinger who seems to have been celebrating her birthday for several days.

Sunday morning, the Haskells and Frakes drove back to Indy on a very non-direct route. Melanie had spent some of the time Friday and Saturday marking up a state road map with the towns and cities from the club's Healey Challenge. We visited St. Crix, Rome (population 36), Troy, Washington, Algiers, Ireland, Holland, and Scotland. About an hour from Indy, the BJ8's fuel pump started acting up. So on the side road, Jim found out that he hadn't packed the knockoff hammer; even with all that extra space in the trailer. So a ratchet handle and socket were substituted. Seems like it should have been tighter than that. Moved the pump's ground wire and tapped the pump a couple of times for good measure and they made it home without any additional issues.
