## ***Next Club event:***

Trip to Collectable Auto Restorations in Terre Haute for a tour of the shop April 19th. We'll meet at Jo and Jim Switzer's house at 8:00 for coffee and donuts and leave for a 90 minute drive to Terre Haute at 9:00.

The Switzer home is in Avon, at 6720 Fieldstream Drive.

For those of you in the southern part of the state who would like to meet us at the shop, it's address is 538 N. 16<sup>th</sup> Street.

After touring the shop, we'll have lunch nearby.

In case of bad weather, drive your modern car.

## ***PARTS FOR SALE or WANTED TO BUY***

(Please send me any news of cars/parts that are needed or for sale.- [evetshalleck@yahoo.com](mailto:evetshalleck@yahoo.com))

Brandon and I tore down a rusty 68 Sprite for the drivetrain and a few other parts. If there's anything you need let us know. Trans, rear deck, steering, windshield & frame, plus lots of misc & new old stock pieces available.

Does anyone have a spare Sprite boot latch with a key? Brandon doesn't have a key for his.

## ***CIAHCA Board Meeting Highlights***

We won't have meeting minutes for all our board meetings, but here's an example of how they go.

### ***January***

The CIAHC Board of Directors convened at the Green Street Pub in Brownsburg shortly after 5:30 on Wednesday January 8th for their scheduled monthly meeting. Six of the eight members were present to satisfy a quorum.

Bob Haskell had prepared a calendar of past events by month so there was a starting point for creating a calendar for 2025. Because of the inclement weather, it was determined that an event for January would not be attempted.

The board will meet as scheduled on February 12 for the business meeting and then the first event of the year will be a Chili Cook-off / Daytona 500 watch party hosted by Jan and Jeff Freers on Sunday February 16. Details will be distributed to the members as they are firmed up.

As previously discussed, Ed and Leanne Barnett will host a "Tech and Tea" on Saturday March 15. Ed's car is in need of several projects. Leanne will host the annual Tea for spouses on the same day.

Bonnie Stahlecker had prepared a list of suggested events for future months in need of chairs or hosts, which are listed in a separate attachment. Take a look at the list and find an event you would like to take on. The new club format is all about inclusion and participation. We need everyone to take part!

Jan Freers presented the Treasurer's report as of December 31, 2024. 23 Members attended the annual Christmas party, bringing in \$460.00. The total paid to the restaurant was \$1,331.22 leaving the net cost to the club \$871.22. The bank balance was \$10,241.99 as of year-end. The previously approved 5 year donation to the World Healey Museum in the Netherlands will be made in the near future. That will reduce the bank balance by \$1,500.00. Of course membership renewals are still coming in. As of the 8<sup>th</sup>, 21 CIAHCA members had renewed, if you are one of the 12 who have not, please do so as soon as possible. Steve will send out email reminders.

Bob Haskell reported that as of the November Delegates Meeting, nothing is looking promising for a Conclave in 2026. That year will be the 50<sup>th</sup> anniversary of the 1<sup>st</sup> Conclave which was held in Bloomington on Lake Monroe. After a short discussion, it was determined that hosting a Conclave is beyond the capabilities of our club at the present time. However, since 2026 is our "turn" to host the Mid- America event, we will be looking for ways to tie it to a 50<sup>th</sup> anniversary celebration. The board will be discussing that at future meetings and welcomes your input.

The meeting concluded shortly after 7PM.

## ***March Tool Time and Tea Time reports***

### **Tea Time Report - Bonnie Stahlecker**

Leanne Barnett put on a fantastic tea party. She created ten different delicacies, ranging from savory to sweet, and even sent us home with treat boxes. Jan Freers, Jo Switzer, Debbie Bruce, Bev Bush, and Bonnie Stahlecker were the happy recipients of Leanne's endeavors.

Debbie Bruce provided entertainment in the form of a car-related questionnaire. There were questions about our first cars and what we knew about vehicle maintenance. As it turns out, Jan Freers can change a head gasket, and Debbie impressed Pat when they were dating that she knew how to drive a stick.

### **Tool Time Report - Ed Barnett**

In preparation for the soon approaching "Healey" weather, the Central Indiana Austin Healey Club got together for "Tool Time and Tea Time" at the home of

Leanne and Ed Barnett. The gents dove into a long checklist of repairs needed on the Barnett's '57 BN4. It was a great turn out and a lot was accomplished, although, as with any Healey project, things did not go perfectly and we did not get done as much as had hoped. All of the items on the list were tackled and by the end of the day, many were close to being done. The problem with so much help is that we all kept getting in each other's way. One more day, most of the projects would be completed. Ed commented that "all in all I am very much closer to getting the BN4 where we want it for this year and could not have accomplished all of this on my own. It is so great to have all of this combined knowledge together so we can all learn from each other."

While the gentleman were getting greasy, the ladies were welcomed to a formal tea presented by Leanne Barnett. The attendees for Tool Time were: Skip Taylor, Brandon Halleck, Jeff Freers, Bob Haskell, Jim Bush, Jim Switzer, Pat Bruce and Ed Barnett.

# Finding club member information

A while back, Ed Barnett tried to get club information for our membership so he could provide everyone with a spreadsheet of member information. That has had limited response. Until he can get that info from everyone so we can send out the club spreadsheet, finding contact or address info for our members has been more difficult. We still have a way to get the members' info though, through the national club website. Here's the process:

If you've been a member for a few years, you will remember and miss the directory book that was sent out every year.

Those days are gone now, as they became too expensive to create. Instead, the information is now available on the Healey website, <https://healeyclub.org/>.

All you need is your username and password.

Go to <https://healeyclub.org/>. Click the upper left corner of the page where it says MEMBER LOGIN.

This screen appears and you enter your username and password and click Login.

## MEMBER DIRECTORY

The Member Directory allows you to view other members. (Note that your own directory information can be updated by clicking the Profile link.) Enter search text or select from any available lists and click the "Search" button. The system will display matching members. If no search values are specified, all members will be displayed. If there is more than one page of results, use the Paging controls to see additional pages. Click the member's photo or name to see the bio for that member. Some members have bio information that can be viewed by clicking on their name or bio image. Note that members can also choose to completely remove their names from this list. If a map is displayed, members whose cards appear on the screen and that have valid latitude/longitude (geocodes) will be displayed as points on the map. If a postal code/radius search is performed, users will only be displayed if they have valid latitude/longitude (geocodes) and have configured their visibility to show address information. If users do not appear on the map (or in results when performing a radius search) they may have restricted visibility, or do not have valid geocodes in their profile. Users with certain visibility restrictions will be geolocated in the center of their postal code for privacy. It is possible that all members may not be displayed on the map.

## ***Miscellaneous Meanderings***

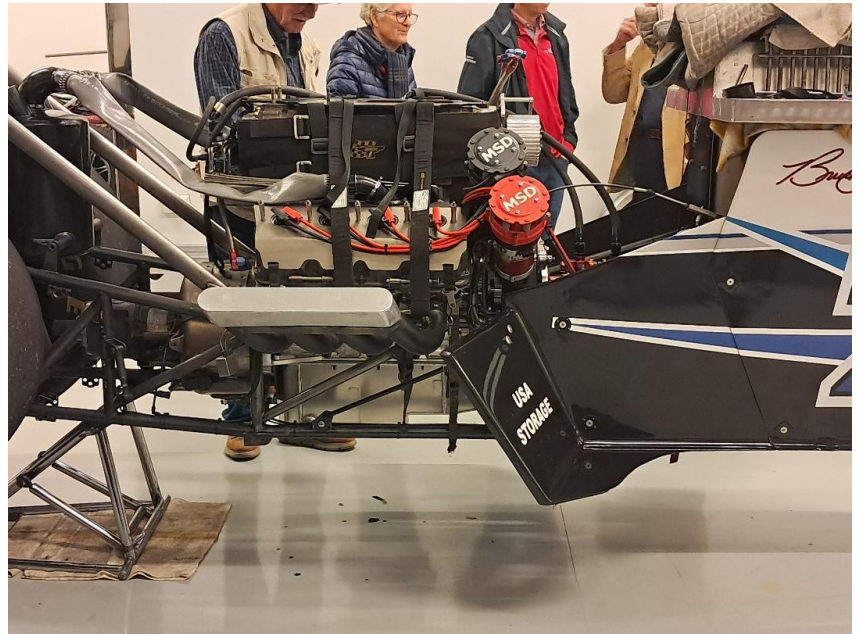

Did you read Bonnie's writeups in the Marque about our events at Conclave? Nicely done Bonnie! The Wisconsin club sent us a check thanking us for our help.

I thought I'd already sent out info on the delegates tour from last year, but I missed it (It's hard to get good help).

Jim Switzer (with assistance from Jerry Baker) set up two destinations for the delegate's tour in November. We first went to Bruce Litton's car collection and race shop. Bruce is a drag racer, with an interesting collection of cars in a room that looks like his hometown.

After viewing the collection, he opened the door to his shop to see his two dragsters and hear some AMAZING information about them and his career.

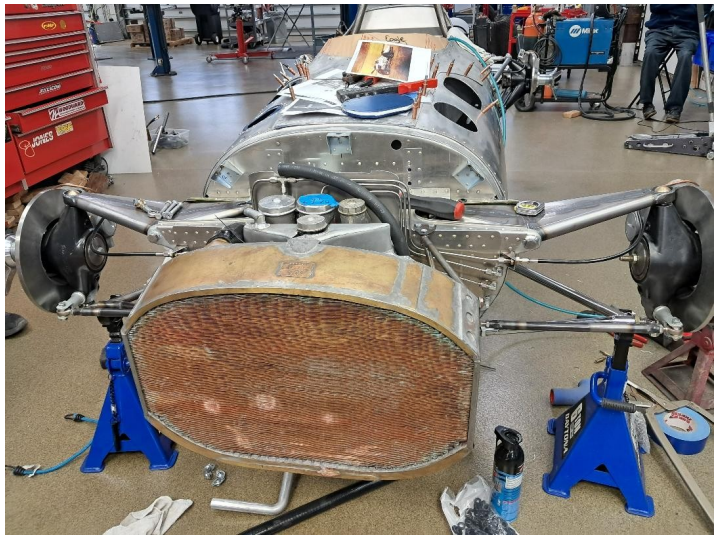

Afterwards, we travelled to Ray Skillman's car collection on the south side. Ray's collection is always changing, with a huge addition to his Indy car collection. As folks started leaving, Ray came in and talked to us for a while. We also met with one of his mechanics that was working on restoring an Eagle Indy Car and learned some interesting information on the process.

-----

Skip is adding some power to his bugeye with the addition of a supercharger. Looks good! It'll be interesting to see the results.
